**Amount allocated: £330per pupil - 5 pupils - £1650**

<b>Objective</b>	<b>Cost of activity</b>	<b>Is this a new or continued activity?</b>	<b>Summary of the intervention</b>	<b>Outcomes: how will this intervention improve achievement for children eligible for Pupil Premium? What will it achieve?</b>	<b>How will this activity be monitored? When, by whom? How will success be evidenced?</b>	<b>Actual impact: what did the intervention actually achieve If you plan to repeat this activity what would you change to improve it next time?</b>
To develop speech and language and listening and attention.	1 Grade 5 nursery nurse 3 hours per week £1596 for 3 terms. The additional funding will be used for resources to support the activities.	The priority is slightly different from last year (developing self-esteem and confidence) but similar activities will address this year's priority.	Intervention groups (small groups of up to 6 at a time) to provide enrichment activities to help develop language and listening and attention in nursery and provide an exciting range of experiences to enhance their learning. Member of staff to plan and deliver Forest Schools, Music, dance, art activities and drama activities that meet the specific needs of the identified children.	This intervention is to provide a wide and varied range of experiences to enhance children's learning and to foster an attitude of enjoyment in learning.	Learning Journey Profiles. Pupil and group tracking (progress and attainment). Development of social skills, language development and attitude to learning will impact on educational progress & attainment. Evidence of broadening of experiences.
