Hot weather arrangements

Dear Parents,

As the weather is beginning to warm up now we want to make sure that we take all steps to keep your children safe from the sun and hot weather.

Water bottles. Please could you bring a named bottle to nursery for your child so they have a drink available at all times in the day during hot weather. We will keep them in nursery and staff will wash them out and refill every day. The bottle can be an empty drinks bottle or a sports bottle.

Sun cream. Many of you have already brought in sun cream (with your child's name on the bottle). If you have not brought any yet please could you provide it each day in sunny weather. Alternatively you could apply a once-a-day suncream.

We recommend that you apply sun cream before the children come to nursery then we will re-apply it through the day if necessary.

Sun hats. Please bring a sun hat for your child to wear when they play outside. Our play area is south facing so gets quite hot.

Many thanks

Yours sincerely

Sara Bailey
