Students in nursery

Dear Parents,

Emma Bloore

We will be supporting a student on placement from Keele University this term. Her name is Emma Bloore. She is studying a Post Graduate Certificate of Education in Early Years and will be completing some of her training here at Oaklands. She is already an experienced early years practitioner having worked in nurseries prior to starting her degree course.

Mrs Smith

Mrs Smith, key worker for green group, will also be undertaking training this year to gain her Qualified Teacher status having gained a first class honours degree in Early Years last year. Most of her training will be through her work but she will attend university every Thursday. Mrs Davies will share the keyworker role with her for green group and will teach the group on Thursdays. Mrs Smith will also have a placement at another school later in the year.

If you have any questions regarding these arrangements please feel free to discuss it with Mrs Bailey.

Yours sincerely

S Bailey
Headteacher

National Support School
